

Ability to Benefit (ATB) Grandfathered Students

Catalog Addendum

The Allen School will allow students to enroll in the Medical Assistant, Medical Insurance Billing and Coding and Nursing Assistant programs using their Ability to Benefit (ATB) scores as long as the student can provide documentation showing a passing score on an ATB test. The student must also provide a transcript showing they were enrolled in an eligible Title IV program before July 1, 2012.

This documentation must be provided before classes begin in order for the student to be enrolled in an Allen School program.
